

CROSSROADS

IRISH-AMERICAN FESTIVAL - SAN FRANCISCO

Donation Form

The Crossroads Irish-American Festival is a literary, musical, and cultural event that takes place every year in San Francisco in the days leading up to St. Patrick's Day.

It is a celebrated annual festival inviting the public to come together around inspired, creative, and relevant events regarding Irish and Irish-American history and culture. We are dedicated to creating a dynamic forum every year where meaningful, many-sided conversations take place about our Irish and Irish-American histories, our ancient roots and modern hybridities, our passions, our work, our presence around the globe and our creative efforts to make sense of it all!

Yes! I/we want to support the CROSSROADS Irish-American Festival as indicated below.
